Training Day at LSUHSC HDC

Rotation Day – Location TBA

LEA Day – Monday set aside for work in the LEA

Research Day – day for accomplishing individual internship goals/activities; location is determined by the activities set by intern

No LAS*PIC Activities Scheduled

Saturday Hot Topic Forum

*For the week of state testing, the schedule will be altered to allow interns to be at their LEA sites on the Monday of that week. Another day during the year will be scheduled as a “trade day” for that Monday. The schedule will be amended following posting of testing dates by the LA Department of Education.

SCHEDULE SUBJECT TO CHANGE AT THE DISCRETION OF LAS*PIC FACULTY, AS DEEMED NECESSARY

Prior approval for personal planning that affects the intern’s ability to complete required LAS*PIC training activities must be given by Dr. Maynard
