- Social Interactions
- Stress Management

HDC Mission

The LSU Human Development Center (HDC) was established in 1974 as Louisiana's University Center of Excellence in Developmental Disabilities (UCEDD), one of a network of 67 centers across the country.

Our mission is to strengthen and increase the capacity of local communities to support and include individuals with developmental disabilities and their families in all aspects of life in the community.

**Postsecondary
Apprenticeship
for Youth
(PAY Check)**

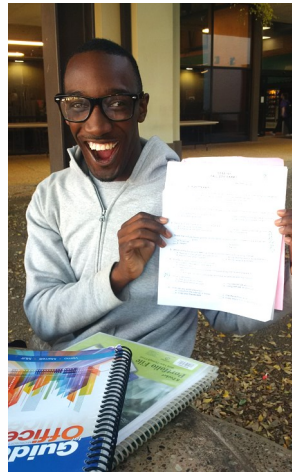

Student Admission Criteria

- 18-22 years of age with IEP or Section 504 Plan
- Eligible for LRS services
- Applicants must submit a brief description of why they want to complete the **PAY Check** program and letters of recommendation
- Parents/guardians must support their student to participate in community college, learn community and work-related skills, accept a paid apprenticeship, and ultimately support their student to reach the outcome of competitive employment in the career of their choice.

What is PAY Check?

The pilot program **Postsecondary Apprenticeship for Youth (PAY Check)** is an innovative collaboration between the LSUHSC-Human Development Center (HDC), Louisiana Rehabilitation Services (LRS), Delgado Community College, Jefferson Parish Public School System, and the University Medical Center (UMC) - New Orleans.

PAY Check is a 3 semester program wherein students participate in courses at Delgado Community College, engage in professional career development activities, learn community and work-related skills, and gain employment experience through paid apprenticeships at the University Medical Center.
